

Commercial Balloon Pilot Wanted

Raging Thunder Balloon Adventures Pty Ltd (trading as Cairns Hot Air Balloon Co. AOC 520686) are offering the opportunity of a lifetime - to live and work in tropical Far North Queensland for Australia's largest adventure company!

Mareeba township is a short drive from Cairns and boasts some of the most reliable weather conditions in Australia for balloon operations. We have the capacity to carry 150+ people per day and with Mareeba renowned for having 300 sunny days a year, this creates the perfect opportunity to accrue experience and flying hours in large balloons. With the Great Barrier Reef and World Heritage Rainforest at your doorstep you can achieve the perfect work/life balance here in tropical paradise.

Cairns Hot Air Balloon Co. is part of Skydive the Beach Group Limited, Australia's only ASX listed adventure tourism company (ASX:SKB). Safety is paramount to our operations here at Cairns Hot Air Balloon Co., therefore we are asking for applications from only those with licensed commercial experience. In order to be considered for this role you must hold a Class 2 (Post September 2014) or Class 4 rating (Pre September 2014) or Class 3 rating with the hours required to obtain Class 4 (Pre September 2014). Experience in balloons 350,000 cu ft and above would be a distinct advantage, as would experience as a Maintenance Authority Holder. Also interested in 260,000 cu ft and above rated / experienced Pilots looking to progress to larger balloons.

We hold ourselves to the highest commitment to safety, and require strict compliance with a comprehensive Drug & Alcohol Management Plan from all of our employees.

We're looking for the right candidate for this position, which means contract and package arrangements are open to negotiation. Contact us today to discuss your new career and lifestyle!
